DETAILED ACTION

1. Applicant's amendment filed on March 14, 2005 has been entered. Claims 1 and 3 have been amended. Claims 6-9 have been cancelled. No claims have been added. Claims 1-5 are still pending in this application, with claims 1 and 3 being independent.

Claim Rejections - 35 USC § 103

2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
3. Claims 1-5 are rejected under 35 U.S.C. 103(a) as being unpatentable over Kosaka et al. (US 6,687,515) in view of Peters (US 5,717,379).

For detailed teachings of Kosaka, please refer to the Office Action mailed on 12/17/05.

Regarding the newly introduced limitations "[for sending] a password" and "said image signal receiving part, said password being sent to"; Peters teaches a remote monitoring system in which monitoring is performed via video phones. Further, in Col. 5, lines 38-41, Peters teaches that in order to only authorized persons can perform monitoring after being interrogated by a password.

It would have being obvious to one of ordinary skill in the art to modify Kosaka's system with the teachings of Peters and thus in this manner provide a system that can be used for remote monitoring.

Response to Arguments

4. Applicant's argument with respect to claims 1-5 have been considered but are moot in view of new ground(s) of rejection.

Conclusion

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
